Notice of Annual General Meeting

Explanatory Notes:

Resolutions 3 to 6 – detailed information on these directors can be found under the Board of Directors, Corporate Governance Statement and Additional Information on Directors Seeking Re-election sections in the Annual Report for the financial year ended December 31, 2024 (“**Annual Report 2024**”).

If re-elected, Mr Tow Heng Tan will remain as the Chairman of the Board of Directors and Executive Committee and a member of the Executive Resource & Compensation Committee and Nominating Committee. He is a non-executive & non-independent director.

If re-elected, Mr Yap Chee Keong will remain as Chairman of the Audit Committee and a member of the Risk Committee. He is an independent director.

Resolution 7 – if passed, will facilitate the payment of directors’ fees during or soon after the financial year in which the fees are incurred, that is, during or soon after the financial year ending December 31, 2025 (“**FY2025**”). The exact amount of directors’ fees received by each director for the financial year ended December 31, 2024 (“**FY2024**”) is disclosed in full in the Corporate Governance Statement of the Annual Report 2024. Directors and their associates will abstain from voting on Resolution 7.

The amount of the directors’ fees is based on the anticipated number of board and committee meetings for FY2025, assuming full attendance by all the non-executive directors. The amount also caters for additional ad-hoc board and committee meetings.

The current intention is that the directors’ fees for the non-executive directors for FY2025 will comprise a cash component and a share component, with up to 30% being delivered in the form of restricted share awards under the Sembcorp Industries Restricted Share Plan 2020. Any such award would typically consist of the grant of fully paid shares outright with no performance or vesting conditions attached but with a selling moratorium. Under the Directors’ Fee Framework, non-executive directors are first required to hold shares (including shares obtained by other means) worth S\$100,000 in aggregate; any excess may thereafter be disposed of as desired. A non-executive director can dispose of all of his / her shares one year after leaving the Board. More details can be found in the Corporate Governance Statement in the Annual Report 2024.

The cash component of the directors’ fees for FY2025 is intended to be paid half-yearly in arrears. The share component of the directors’ fees for FY2025 is intended to be delivered after the Annual General Meeting in the year 2026 (the “**2026 AGM**”) has been held. The actual number of shares to be awarded to each non-executive director holding office at the time of the payment is intended to be determined by reference to the volume weighted average price of a share on the Singapore Exchange Securities Trading Limited (the “**SGX-ST**”) over the 14 trading days from (and including) the day on which the shares are first quoted ex-dividend after the 2026 AGM (or, if no final dividend is proposed at the 2026 AGM, or the resolution to approve any such final dividend is not approved at the 2026 AGM, over the 14 trading days immediately following the date of the 2026 AGM). The number of shares to be awarded will be rounded down to the nearest hundred and any residual balance will be settled in cash. A non-executive director who steps down before the delivery of the share component will receive all of his / her directors’ fees (calculated on a pro-rated basis, where applicable) in cash.

Statement pursuant to Article 57 of the Constitution of the Company:

Resolution 9 – is to empower the directors to issue shares of the Company and to make or grant instruments (such as warrants or debentures) convertible into shares, and to issue shares in pursuance of such instruments, up to a number not exceeding 50% of the total number of issued shares of the Company excluding treasury shares and subsidiary holdings, of which up to 5% may be issued other than on a *pro rata* basis to shareholders. The aggregate number of shares which may be issued shall be based on the total number of issued shares of the Company excluding treasury shares and subsidiary holdings at the time that Resolution 9 is passed, after adjusting for (a) new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which were issued and are outstanding or subsisting at the time that Resolution 9 is passed, and (b) any subsequent bonus issue or consolidation or subdivision of shares. As at March 6, 2025 (the “**Latest Practicable Date**”), the Company had 7,443,424 treasury shares and no subsidiary holdings.

Resolution 10 – is to empower the directors to offer and grant awards pursuant to the Sembcorp Industries Performance Share Plan 2020 and the Sembcorp Industries Restricted Share Plan 2020 (collectively, the “**Share Plans**”) and to issue ordinary shares of the Company pursuant to the vesting of awards granted pursuant to the Share Plans provided that: (a) the aggregate number of (i) new ordinary shares allotted and issued and / or to be allotted and issued, (ii) existing ordinary shares (including shares held in treasury) delivered and / or to be delivered, and (iii) ordinary shares released and / or to be released in the form of cash in lieu of ordinary shares, pursuant to the Share Plans shall not exceed 5% of the total number of issued ordinary shares of the Company (excluding treasury shares and subsidiary holdings) from time to time; and (b) the aggregate number of ordinary shares under awards to be granted pursuant to the Share Plans during the period commencing from this Annual General Meeting to the next Annual General Meeting shall not exceed 1% of the total number of issued ordinary shares of the Company (excluding treasury shares and subsidiary holdings) from time to time.

Resolution 11 – is to renew the mandate, to enable the Company, its subsidiaries and associated companies that are entities at risk (as that term is used in Chapter 9 of the Listing Manual of the SGX-ST), or any of them, to enter into certain interested person transactions with specified classes of interested persons, as described in the Letter to Shareholders dated April 1, 2025 (the “**Letter**”). Please refer to the Letter for more details.

Notice of Annual General Meeting

Explanatory Notes: *(cont'd)*

Resolution 12 – is to renew the mandate to enable the Company to purchase or otherwise acquire issued ordinary shares of the Company, on the terms and subject to the conditions set out in the Resolution.

The Company intends to use its internal sources of funds to finance the purchase or acquisition of its ordinary shares. The amount of financing required for the Company to purchase or acquire its ordinary shares, and the impact on the Company's financial position, cannot be ascertained as at the date of this Notice as these will depend on the number of ordinary shares purchased or acquired, the price at which such ordinary shares were purchased or acquired and whether the ordinary shares purchased or acquired are held in treasury or cancelled.

Based on the existing issued ordinary shares as at the Latest Practicable Date and excluding any ordinary shares held in treasury, the purchase by the Company of 2% of its issued ordinary shares (and disregarding the ordinary shares held in treasury) will result in the purchase or acquisition of 35,602,086 ordinary shares.

In the case of both market purchases and off-market purchases by the Company and assuming that the Company purchases or acquires 35,602,086 ordinary shares at the maximum price of S\$6.53 for one ordinary share (being the price equivalent to 105% of the average of the last dealt prices of the ordinary shares for the five consecutive market days on which the ordinary shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of 35,602,086 ordinary shares is S\$232,481,622.

The financial effects of the purchase or acquisition of such ordinary shares by the Company pursuant to the proposed Share Purchase Mandate on the audited financial statements of the Group and the Company for FY2024 based on these assumptions are set out in paragraph 3.7 of the Letter.

Please refer to the Letter for more details.
